

4. New Work Permit

New Work Permit

Work Permit / PTW can be created by navigating to Work Permit >> New Work Permit.

There are 3 roles involved in the WP / PTW Application form approval process.

1. **Coordinator - To Initiate the form.**
2. **Applicant - To submit the form.**
3. **Approvers - To Approve / Reject the form.**

The screenshot displays the 'New Work Permit' form interface. On the left is a sidebar menu with the following items: 'Work Description' (highlighted in blue), 'Scope', 'Location', 'Vendor', 'Applicant', 'Authorised Personnel', 'PTW Category', and 'Other Details'. The main content area is titled 'New Work Permit' and contains the following fields and controls:

- Work Description:** A large text input field labeled 'Work Description *' with a red circle '1' above it.
- Enable LCP:** A toggle switch located at the top right of the form.
- Issued Date:** A date input field showing '08/08/2024' with a calendar icon, marked with a red circle '2'.
- Start Date:** A date input field with a calendar icon, marked with a red circle '3'.
- Start Time:** A time input field with a clock icon, marked with a red circle '3'.
- WP Validity:** A field showing '14' and a dropdown menu labeled 'Days', marked with a red circle '4'.
- End Date:** A date input field with a calendar icon, marked with a red circle '5'.
- End Time:** A time input field with a clock icon.

Step 1: Coordinator initiates the Work Permit Application / PTW Application.

1. **Work Description:** Coordinator can define the work description in this field.
2. **Issue Date:** Issue date will auto populate with the current date.
3. **Start Date & Time:** Coordinator can define the work start date and time.
4. **WP Validity:** Coordinator should input the number & select the frequency from the drop-down.
5. **End Date & Time:** End date will auto populate based on the WP Validity selection. Coordinator should define the time.
6. **Scope:** Coordinator should be able to select the required scope from the drop-down list.
7. **Location:** Coordinator should be able to select the required Location from the drop-down list.
8. **Vendor:** List of Vendors will be displayed in the drop-down. Coordinator should be able to select a specific Vendor from the list.
9. **WP Applicant:** List of WP Applicant will be displayed in the drop-down. Coordinator should be able to select a specific WP Applicant from the list.
10. **Authorized Personnel:** To select the Approvers to approve the Application form.
11. **PTW Category:** To select the PTW Category.
12. **Cancel:** To cancel the Application draft.
13. **Save:** To save the Application form.

Step 2: Applicant will be notified to submit the WP Application / PTW Application initiated by the coordinator.
