

4.8. StockUpdate

Stock Update dashboard has the following features.

The screenshot displays the 'Stock Update' dashboard in the 'asseto' system. The sidebar on the left lists various navigation options, with 'Inventories' and 'Stock Update' highlighted. The main content area features a table titled 'Stock Update' with columns: Title, File, ID, Stock Update by, Date / Time, and Status. The table lists several stock update records, each with a unique ID and a status (e.g., 'Pending Approval', 'Approved'). A search bar is located at the top right of the table. At the bottom of the table, a summary row indicates 'Total 71 records found' and a pagination control set to 'Items per page: 10'.
